Abstract.

States that on the 7th Nov 1888 it was ordered by the D/Comr that a list of the persons having right and interest in the Kaysinguttha village together with a statement of the proposed compensation payable to them should should be submitted; and accordingly Petr was served with a notice; that it has also been published in the Gazette that lands in the village would be acquired by Govt.

Petition Received by Dy Comr for enquiry & report - Whether the case falls under the LA Act has an award been made and has a reference been made to Court under Secs 14 & 15 of the Act? If so the facts should have been stated in the Awards noticed 18 & 22. Encl 5 Papers filed a Petition) henyl & report has been called for

BC 14/8

In April 1889, the Amildar of the Arsikere Taluk informed Peti that the lands in the Kayemguttu village were taken possession of by Govt. for the purpose of demarcation line of Hirekalgudda: and on the 6th June a notice was served on him to the effect that he should not enter on the land: This procedure is against the provisions of the Land Acquisition Act. The proper procedure is to give the owner of the lands intended & the acquired due compensation before taking possession of them. Peti is entirely dependent on the lands comprised in the Kayemguttu village. Begs therefore that he maybe allowed to have the demarcation line made at his own expense, as he cannot give up the lands for the purposes of State Forest.

Judgment

This case was referred by the Deputy Commissioner of Hassan under the Land Acquisition Act. The Deputy Commissioner offered Rupees 1500/- for 533 acres and 37 Goontas of the jungle in the Defendants' Kahayem Goottu village called Harathanna Halli in the Arsikere Taluk. The deffts are brothers. The 1st defendant claimed Rupees 4000 on the ground that the yield from the jungle was Rupees 400 per annum. The following issues were framed.

(1). What is the actual Value of the Land in question?

(2) What is its yearly yield?

2 The defendants' appeal was of opinion that Rupees 5330 at the

at the rate of Rupees [illegible] per
a fair compensation - [illegible] labour
and the yearly income was fixed by
them at Rupees 250/-

3. The Government assessor, who
is a Mohamedan, was one of the
panchayatdars when the arbitrator
reported upon the probable income
of the jungle before the land was
taken up by Government - He
adhered to the sum of Rupees
150/- fixed as the income of the
jungle mentioned in Exhibit No 1
which is a mahuzir. He was also
of opinion that an acre of land
was worth Rupees 5/-

4 The defendants have not
filed their Village accounts to show
what was the actual income derived
from the jungle produce. The value
of the produce mentioned in Exhibit
No I does not appear to have been
fixed after a thorough inspection
of the Forest. The income was
estimated off-hand as appears
from the examination of the
Government assessor. There
is a large tract of land con-
taining jungle wood and
other trees which do not appear
to have been taken into consideration. The
Village is at a distance of 8 miles from
the new Railway Station opened
recently at Arsikéré. This circum-
stance has enhanced the value
of Forests for supplying fuel to the
Railway Company. The defendants
assessor stated that 1000 cart loads
of firewood might be cut per
annum and the Government assessor
fixed the number at 300 per year.
The evidence as regards the annual
income from the produce and the
number of cart loads of fire wood
that might be cut are unsatisfactory.
The appeals were unable to inspect
533 acres of the tract owing to the
fact that it is a thickly wooded
forest and other natural impedi-
ments. Under these circumstances
I think it is reasonable in this case
to fix the compensation on the
value of the land with the forest
on it. The Government appeals rate
of Rupees 5 per acre is a fair
compensation under the 1st clause
section 24 of the act. I therefore
award Rupees 2669-10-0 to the

Defendants - the defendants
shall also pay the statutory per-
centage of Rs: 15 with interest at
6 per cent per annum on both the
amounts, from the date the property
was taken up by Government.
The costs of this proceedings will
be borne by the Dy: Commissioner
